

RING SIZING GUIDE

PRIOR TO PRINTING, ENSURE THAT THE SCALE
ON YOUR PRINT DIALOG BOX IS SET TO 100%.

Measure the below bar. It should be 2.5" when printed.

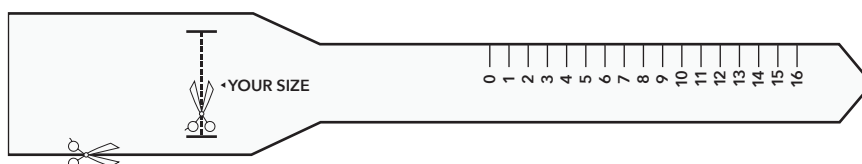

METHOD

01

MEASURE WITH OUR PAPER SIZER

- Measure your finger with our printable paper sizer (below).
- Print, cut out and wrap the sizer around the largest part of your finger.
- The point where the ends overlap will mark the ring size.

METHOD

02

START WITH A RING THAT ALREADY FITS

- Print our ring diameter chart (below).
- Find a ring that fits the correct finger.
- Closely match the inside edge of the ring to the right diameter.
